

SBM Series Short Backset Mortice Lock

Designed for use with contemporary Narrow Style Series Mortice Lock Furniture

SBM Series

Short Backset Mortice Lock

The Kaba SBM Series Short Backset Mortice Locks have been designed, engineered and built to perform on many varied building projects.

The Kaba Short Backset Mortice Lock provides the ideal solution for new fit outs or retrofits in place of existing short backset lock applications on aluminium frame doors including commercial high usage doors such as education facilities, hospitals, military installations, corrective service facilities, hotels, clubs, office buildings and residential applications.

Features

This multi-function lock is non-handed and one lock suits all functions with the convenience of an adjustable locking bar (independent to each side of the door) and multiple cam options.

- 23mm backset
- Zinc Alloy case
- Stainless Steel faceplate and strike
- 32mm to 50mm standard door thickness
- Minimum internal 39mm aluminium extrusion

Typical Common Functions

Passage Lock	SBM10
Exit Lock	SBM25
Patio Lock	SBM32
Office Lock	SBM52
Entrance Lock	SBM53
Classroom Lock	SBM70
