Portable Freedom

Introducing the latest range of NEOZ V4 Cordless Table Lamp systems, specially designed for home use.

These portable luminaires allow complete freedom and flexibility – they can be used to illuminate an outdoor setting for up to 33 hours* a charge or as corded lamps to conserve battery energy when near a power source.

Featuring dimming as well as the candle mode, all at the touch of a button, the NEOZ Cordless lamp lets you create an intimate atmosphere in your home, inside and out.

To guarantee performance night after night, year after year Neoz Cordless Lamps use only the highest quality components with up to three years warranty including the world's best Lithium- ion rechargeable batteries.

Lighting Designers since 1983, and pioneers of Cordless Lighting since 1995, Neoz has received two Australian Design Awards and an international 'red dot design award' for this outstanding product range.

Cordless Lighting Features and Benefits

- **Quality Assurance**
Made from the world's best quality materials & components, under warranty for up to 3 years.
- **True Colour Rendering**
Beautiful light diffusion with halogen light bulb, the best light source for true colour rendering of skin tones, food colours and textures.
- **Remarkable Performance**
High capacity, long life, Li-ion rechargeable batteries
Up to 33 hours of light time on a single charge.
- **Easy Charging and Operation**
Unique charging on a dedicated base station with red and green charge status indicator, showing when the lamps are fully charged. Lamps illuminate using mains power when on Base Station. Simply rotate Lamp half a turn for different brightness levels (patented).
- **Fuel Gauge**
Base of each lamp shows battery charge level.
- **Eco Friendly**
All parts designed to be replaceable, serviceable and recyclable.
'Green' Li-ion battery & RoHS Compliant.
- **Cost and Energy Saving**
1 Lamp = over 1000 Candles per year
Around 2 cents per day of electrical energy to charge and eliminates hardwiring costs.
- **Brighter**
Reflected light 20 times brighter than a candle to read menus clearly.
- **Dimmable**
3 dimming levels for a beautiful light ambience
- **Candle Effect**
A safer option without flame, smoke or odour that will not blow out in windy conditions.
