The Laminex Group, A division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the photographs depicted in this brochure are as close to the **LAMINEX COLOURTECH painted doors** range as photographic lighting and modern printing processes allow. Colour/finish combinations are subject to availability. Colours/finishes shown are available at the time of publication, but may be withdrawn. **LAMINEX COLOURTECH painted doors** are marketed and distributed by The Laminex Group. Dark colours and gloss finishes require more care and maintenance than light-coloured and lower-gloss surfaces. The Laminex Group recommends the use of mild household cleaning products for dark colours and gloss finishes, please visit www.laminex.com.au for specific care and cleaning information. Please note that in certain lights or from different angles wipe down marks may be visible. **LAMINEX COLOURTECH painted doors** are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. **LAMINEX COLOURTECH painted doors** should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface over time. Please obtain a copy of the terms and conditions of the **LAMINEX COLOURTECH painted doors** 10 Year Limited Warranty from The Laminex Group or visit www.laminex.com.au.
