

Features

Copine Collection is sleek and modern design, suitable for any commercial and hospitality space.

The seat and back are contoured for comfort in a fine plywood veneer. The legs are matching solid wood and are subtly flared and sturdily framed in powder-coated steel.

Available as a timber chair, low and dining height table.

Finishes

Timber veneer options: American White Oak,
American White Oak stained
black or
American Walnut.

Powdercoat Options: Black or white.

Design: Sean Dix

Sean Dix opened his studio in Milan in 2000 and Hong Kong in 2008.

He was graduated from the School of the Art Institute of Chicago, Rietveld Academie (Amsterdam) and Domus Academy (Milan).

He has lectured and taught at numerous schools around the world including IULM (Milan), Politecnico di Milano, Domus Academy (Milan), Beckman's (Stockholm), and the School of the Art Institute of Chicago.

He has extensive experience working with and leading international teams of clients, designers, project architects, structural engineers, contractors, fabricators and local architects in order to bring complex projects to fruition.
